Each year the OMT Division presents a number of awards at the Academy of Management Annual Meeting.

The **Distinguished Scholar Award** recognizes scholars who have been central to the intellectual development of the field of organization and management theory.

The **Joanne Martin Trailblazer Award** recognizes scholars who have blazed trails and paved the way for new ideas during the course of their careers.

The **Distinguished Educator Award** recognizes scholars who have had a significant impact through their teaching and interactions with students.

The **Best Published Paper Award** recognizes a journal article published in the previous year that advances our theoretical understanding of organizations, organizing, and management.

The **Best Paper Award** recognizes an empirical or conceptual paper submitted to the annual meeting that offers significant contributions to the field of organization and management theory.

The **Louis Pondy Best Dissertation Paper Award** recognizes the best paper based on a dissertation in the refereed scholarly program.

The **Best International Paper Award** recognizes research regarding themes and content of interest internationally.

The **Best Paper on Environmental and Social Practices** recognizes research that advances our understanding of environmental and social dimensions of organizing.
The **Best OMT Entrepreneurship Paper** recognizes a paper in the scholarly program that advances understanding of entrepreneurship drawing on organization and management theory.

The **Best Student Paper** recognizes a paper authored solely by students and included in the refereed program.

The **Best Symposium Award** recognizes an event submitted to the annual meeting that stimulates, integrates, or extends discussions about organization and management theory.

The **Research Committee Awards** recognizes reviewers who were deemed worthy of special acknowledgment for the helpfulness, extensiveness and insight of their reviews.
