The Society for Business Ethics (SBE) will hold its annual meeting in Montreal this year.

Call For Submissions
Sofitel Hotel, Montréal, QC, Canada
August 8-10, 2010
Submission Deadline: March 1, 2010

The meeting has been synchronized with the Academy of Management meeting and will take place at the Sofitel Hotel within walking distance of the main sites of the AOM meeting. You are invited to submit papers and proposed panels and workshops on topics in business ethics and related fields. Both empirical and theoretical work are welcome. Please submit electronic copies of your paper or panel proposal (MSWord or .pdf preferred) to Ian Maitland at sbe.program.chair@gmail.com by March 1. Only electronic submissions will be considered.

Instructions for making submissions

All submissions: Please include a cover page with the paper or panel title, the names of the authors or panel participants, addresses, phone numbers and email addresses.

Paper Submissions: Repeat full title on page one of the paper without the author's name or other identifying information. Provide a 150-word abstract. Papers should be no longer than 30
pages (double-spaced).

**Panel Submissions:** Identify panelists by name in the body of your proposal. Panel proposals should include a statement of the rationale for the panel and the format to be used. Include a 150-word abstract for each participant/entry. Panels will normally be comprised of no more than three presenters plus a chair (who may also be one of the three presenters). Panels should not include discussants.

**Workshop Submissions:** Workshops are interactive sessions. Proposals should include a clear statement of the rationale for the workshop, why your research and/or expertise qualify you to give this workshop, and how you would run the workshop. There should be no more than three workshop leaders.

**Multiple submissions:** Individuals submitting papers and panel proposals will be limited to one paper submission and inclusion on one panel submission. (This will not prevent any presenter from also serving as a session moderator appointed by the Program Committee).

**Coding submissions:** To facilitate matching submissions with reviewers, include a three-letter code from the following (list at least one number from Paradigms, Application Contexts, and Methodologies but as many as apply (e.g., P-5, 11, 13; A-4; M-1, 6)). Submissions will be considered that do not "fit" any of these categories.
